

Procédé de commande & guide d'activation du logiciel Apex

Janvier 2016

JOHN DEERE

Nouveau procédé de commande

Afin d'accélérer le procédé de commande du logiciel Apex, les concessionnaires John Deere n'ont plus besoin d'attendre le CD d'installation.

Veillez **télécharger** le programme directement à partir de **StellarSupport** et veuillez commander dans la liste des prix le code suivant: **8223Z 7005** afin de recevoir un n° Comar. Ceci vous permettra **d'activer** le logiciel pour un maximum de deux ordinateurs différents.

Activation de Apex

1. Commander le code **8223Z7005** noté dans la liste des prix
2. Télécharger Apex à partir de StellarSupport:
http://www.deere.fr/fr_FR/services_and_support/stellarsupport/downloads_updates/downloads_updates.page?#apexpanel
3. Installer le programme sur votre ordinateur
4. Aller sur StellarSupport pour enregistrer le programme (suivre la procédure décrite ci-après) afin d'obtenir le code d'activation du logiciel

Activation de Apex

5. Puisque vous n'avez pas de numéro de série de CD, veuillez utiliser le numéro de série suivant: **PCAPEX + votre nom**
Exemple: **PCAPEXJOHNNY**
6. Maintenant, entrer le **Site Code** du programme dans le champ de saisie désigné et presser suivant

The screenshot shows the StellarSupport Global website interface. At the top left is the John Deere logo and the text "JOHN DEERE". At the top right is "StellarSupport Global". Below the header is a search bar with the text "Recherche". Underneath is a section titled "Apex Activation" with a sub-header "Apex Activation". The text below reads: "Here you can activate Apex and any plug-ins that you have purchased. You can select an existing serial number or add a new one. Enter the site code for the selected serial number and click the 'Next' button to continue". There is a table with columns "Apex Serial Number (site Code)", "APEX", and "MOBILE FARM MANAGER". Below the table are two radio buttons. The first is selected and has the text "PCAPEXJOHNNY" and "add new serial number(from Apex CD Case)". The second is unselected and has the text "1234567-1234567" and "Apex site code (Activate Apex screen)". Below these are "Next" and "Cancel" buttons. At the bottom of the section, there is a "Reactivate" button and a note: "If you want to reactivate Apex on a computer that you have previously activated Apex, click on the 'Reactivate' button below."

The screenshot shows the "Apex Activation" dialog box. It has a title bar with "Apex Activation" and a close button. The main content area is divided into sections. At the top right is the "APEX Farm Management Software" logo. Below it, the following information is displayed: "Product name: GreenStar Apex", "Product version: 1.0.0.0", and "Vendor: John Deere AMS". Underneath is the "Activation Info" section. It starts with "Step 1: Gather following info" and lists: "StellarSupport login info", "CD Serial number (located on the Apex installation CD)", "Comar number", and "Site Code: xxxxxxxx-xxxxxxx". The "Site Code" field is highlighted with a red box. Below this are "Step 2: Get activation code from StellarSupport" and a link: "Click here to login to www.StellarSupport.com". Then "Step 3: Apply activation code" and "Enter activation code:" followed by three input fields. At the bottom are "Activate", "Cancel", and "Help" buttons.
